Section 3K. Effect on construction of wills, contracts and statutes.

making or rescinding of a request, by a person, for medication to end his or her life in a humane and

dignified manner.

Section 3L. Insurance or annuity policies.

The sale, procurement, or issuance of any life, health, or accident insurance or annuity policy or the rate

by a person, for medication to end his or her life in a humane and dignified manner. Neither shall a qualified patient's act of ingesting medication to end his or her life in a humane and dignified manner have an effect upon a life, health, or accident insurance or annuity policy.

Section 3M. Construction of Act.

Actions taken in accordance with this act shall not, for any purpose, constitute suicide, assisted suicide, mercy killing or homicide, under the law.

Section 4. Immunities; basis for prohibiting health care provider from participation; notification; permissible sanctions.

Except as provided in Section 4B:

(1) No person shall be subject to civil or criminal liability or professional disciplinary action for participating in good faith compliance with this act. This includes being present when a qualified patient

takes the prescribed medication to end his or her life in a humane and dignified manner.

discipline, suspension, loss of license, loss of privileges, loss of membership or other penalty for participating or refusing to participate in good faith compliance with this act.

(3) No request by a patient for or provision by an attending physician of medication in good faith compliance with the provisions of this act shall constitute neglect for any purpose of law or provide the

sole basis for the appointment of a guardian or conservator.

(4) No health care provider shall be under any duty, whether by contract, by statute or by any other legal

requirement to participate in the provision to a qualified patient of medication to end his or her life in a

humane and dignified manner. If a health care provider is unable or unwilling to carry out a patient's

request under this act, and the patient transfers his or her care to a new health care provider, the prior

health care provider shall transfer, upon request, a copy of the patient's relevant medical records to the

new health care provider.

(5)(a) Notwithstanding any other provision of law, a health care provider may prohibit another health care

provider from participating in this act on the premises of the prohibiting provider if the prohibiting provider has notified the health care provider of the prohibiting provider's policy regarding participating

in this act. Nothing in this paragraph prevents a health care provider from providing health care services

to a patient that do not constitute participation in this act.

(b) Notwithstanding the provisions of subsections (1) to (4) of this section, a health care provider may subject another health care provider to the sanctions stated in this paragraph if the sanctioning health

care provider has notified the sanctioned provider prior to participation in this act that it prohibits participation in this act:

(A) Loss of privileges, loss of membership or other sanction provided pursuant to the medical staff bylaws, policies and procedures of the sanctioning health care provider if the sanctioned provider is a member of the sanctioning provider's medical staff and participates in this act while on the health care facility premises, as defined in M.G.L. Ch. 111, S.25B, of the sanctioning health care provider, but not including the private medical office of a physician or other provider;

(B) Termination of lease or other property contract or other nonmonetary remedies provided by lease contract, not including loss or restriction of medical staff privileges or exclusion from a provider panel, if the sanctioned provider participates in this act while on the premises of the sanctioning health care provider or on property that is owned by or under the direct control of the sanctioning health care provider; or

(C) Termination of contract or other nonmonetary remedies provided by contract if the sanctioned provider participates in this act while acting in the course and scope of the sanctioned provider's capacity as an employee or independent contractor of the sanctioning health care provider.

Nothing in this subparagraph shall be construed to prevent:

- (i) A health care provider from participating in this act while acting outside the course and scope of the provider's capacity as an employee or independent contractor; or
 - (ii) A patient from contracting with his or her attending physician and consulting physician to act outside the course and scope of the provider's capacity as an employee or independent contractor of the sanctioning health care provider.
- (c) A health care provider that imposes sanctions pursuant to paragraph (b) of this subsection must follow all due process and other procedures the sanctioning health care provider may have that are related to the imposition of sanctions on another health care provider.
- (d) For purposes of this subsection:
- (A) "Notify" means a separate statement in writing to the health care provider specifically informing the health care provider prior to the provider's participation in this act of the sanctioning health care provider's policy about participation in activities covered by this act.
 - (B) "Participate in this act" means to perform the duties of an attending physician pursuant to Section 3, the consulting physician function pursuant to Section 3A or the counseling function pursuant to Section 3B. "Participate in this act" does not include:
 - (i) Making an initial determination that a patient has a terminal disease and informing the patient of the medical prognosis;
 - (ii) Providing information about the Massachusetts Death with Dignity Act to a patient upon the request of the patient;
 - (iii) Providing a patient, upon the request of the patient, with a referral to another physician; or
 - (iv) A patient contracting with his or her attending physician and consulting physician to act outside of the course and scope of the provider's capacity as an employee or independent contractor of the sanctioning health care provider.

(6) Action taken pursuant to Sections 3, 3A, 3B, and 3C shall not be the sole basis for a report of unprofessional or dishonorable conduct under M.G.L. Ch. 112, S. 5.

(7) No provision of this act shall be construed to allow a lower standard of care for patients in the community where the patient is treated or a similar community.

Section 4B. Liabilities.

(1) A person who without authorization of the patient willfully alters or forges a request for medication or conceals or destroys a rescission of that request with the intent or effect of causing the patient's death shall be guilty of a felony.

(2) A person who coerces or exerts undue influence on a patient to request medication for the purpose of ending the patient's life, or to destroy a rescission of such a request, shall be guilty of a felony.

(3) Nothing in this act limits further liability for civil damages resulting from other negligent conduct or intentional misconduct by any person.

(4) The penalties in this act do not preclude criminal penalties applicable under other law for conduct which is inconsistent with the provisions of this act.

Section 4C. Claims by governmental entity for costs incurred.

Any governmental entity that incurs costs resulting from a person terminating his or her life pursuant to the provisions of this act in a public place shall have a claim against the estate of the person to recover such costs and reasonable attorney fees related to enforcing the claim.

Section 5. Severability.

Any section of this act being held invalid as to any person or circumstance shall not affect the application of any other section of this act which can be given full effect without the invalid section or application.
